QI & ARI GIVING BACK

Bill Monfre & Cheryl Pennerberg

In a spirit of gratitude, Quality Insulators and Asbestos Removal employees held a food

drive and donated a trunk full of nonperishable food to Paul's Pantry in Green Bay.

The pantry was founded in 1984 by the late Leo Frigo. Leo retired as President of Frigo Cheese and wished to devote the remainder of his life to helping those in need.

Paul's Pantry serves the members of Green Bay and surrounding area and relies solely on donations from the community.

HAVE FUN!

Awards Presentation

On December 20th, Quality Insulators and Asbestos Removal employees took time to reflect on the accomplishments of the past year and celebrate the Christmas season.

The evening consisted of celebrating years of service, birthday milestones, Christmas gifts, a delicious meal, and a remarkable live music performance by Conscious

Pilot. Our Safety Director Paul Lent is the band's lead singer.

The evening was a wonderful opportunity for employees and their spouses or significant others to gather in camaraderie and in the Christmas spirit.
